

FUNDRAISING

Despite continually rising ice costs, Blade & Edge Figure Skating Club attempts to keep our costs for members as low as possible. One way that our club helps defray the cost of ice is through fundraising projects.

As a condition of membership, members are required to choose one of two options for contributing to Blade & Edge FSC's fundraising efforts in order to remain in good standing with the club. (Members who are not in good standing are not eligible to participate in club activities, including, test sessions, shows and competitions.)

(Please check one option)

_____OPTION ONE: Participate in the one (1) fundraiser per skating year (June 1st to May 31st). Members must sell a minimum number of items or bring in a minimum dollar amount for each fundraiser. Fundraising minimums are per family, not per member. Incentive prizes may be offered based on members' sales.

_____OPTION TWO: Members may choose to prepay a \$75 buyout in lieu of fundraiser participation. The fundraising buyout is per family, not per B&E member.

The fundraiser for the 2016-2017 skating year is:
Yankee Candles & Gifts for the Holiday Season

We thank you in advance for your participation in Blade & Edge FSC's fundraising efforts. The B& E board reserves the right to change the fundraisers and any time.

Please indicate the option you choose above then sign on the line below acknowledging that you have read and agree to this statement.
